Name Phone

Address: _____
Mailing Address City State Zip

Petition is hereby made for permission to do certain work within or use right-of-way of the below named Township Highway:

Location: _____

In the consideration for the issuance of a Highway Permit, I/We shall conform to the policies of the Fremont Township Highway Department and provisions of the Highway Permit and shall make such changes and revisions to the proposed work as needed to conform to said policies and provisions. I/We shall make no revisions or changes to the approved proposed work without first notifying and receiving permission from the Highway Commissioner or his authorized representative.

In further consideration of the issuance of a Highway Permit, the petitioner and/or contractor shall indemnify and save harmless the Township of Fremont, the Fremont Township Highway Commissioner and their duty-appointed agents and employees against any action for personal injury, death or property damage sustained by reason of the exercise of this permit. This includes but does not limit appearing for and defending the Township of Fremont and the Fremont Township Highway Commissioner and their agents and employees in any aforesaid action.

The petitioner and/or contractor further agrees to supply a \$ 2,500.00 cash bond which will be forfeited for failure to satisfactorily complete the proposed work and restoration in accordance with the provisions of the permit. Said bond shall be returned promptly if the proposed work and restoration is completed satisfactorily. In lieu of inspection fees, no interest will be paid on cash bond.
