- 3. <u>PUBLIC COMMENTS</u> None
- 4. <u>APPROVAL OF MINUTES</u>
 - Trustee Voss moved, and Trustee Dollenmaier seconded the motion to approve the minutes of the December 12, 2022 Regular Meeting.
 All in favor, motion carried.

5. CO<u>RRESPONDENCE</u>

None

6. OLD BUSINESS

None

- 7. <u>NEW BUSINESS</u>
 - 7.1 Highway Department Request for Temporary Line of Credit

 Consensus of the Board is to include \$500,000.00 in FY 2023/2024 Town Budget for an exercisable loan of up to \$500,000.00 to the Highway Department to be repaid by the end of the Fiscal Year. <u>Discussion</u>

Supervisor O'Kelly and Commissioner Dodd explained that the loan may be required to float funds due to the timing of projects payments and grant funding distributions.

7.2 Highway Department Approval to Install a Vactor Dump Bin Onsite

• Trustee Voss moved and Trustee Atleson seconded the motion to approve the installation of a vactor dump bin on township property.

Discussion

Commissioner Dodd explained that a dump bin should be located onsite due to the cost of regularly hauling the vactor sediment and water to another site. Previously vactor was dumped nearby at the Lake County Midlothian Road site but that can no longer be done. Most townships are now dumping at their own facilities, letting the water drain and then dumping the sediment at an approved dump site. The vactor dump would be located near the Highway Department. The water will then drain into the wet prairie onsite. The sediment would then be scooped out when dried and hauled to the Fox Lake dumping site as needed.

All in favor, motion carried.

Parks are now closed.

9. <u>CERT REPORT</u>

No Report.

10. COMMUNITY GARDEN REPORT

• Commissioner Dodd is preparing for the seed swap in Round Lake in the beginning of February.

11. ELECTED OFFICIAL REPORTS

Assessor

Assessor Herchenbach submitted the following report:

- Attended the Village of Mundelein meeting regarding the land annexation for the Wirtz property (Ivanhoe Village)
- Continual neighborhood review to double check and verify data in preparation of the quadrennial.
- The county published our tentative factor based on sales submitted for 2020/2021/2022 (a very active market period) with Fremont getting a 1.0903 tentative factor. Township factors ranged from 1.0676 to 1.1310 with Fremont being mid-pack. These tentative factors are the primary reason that I am asking for an increase in my budget for salaries in the case that we will likely see an increase in appeal cases and value inquiries.
- I wanted to reiterate that we received a final summary for this year's Board of Review appeal hearings and our final total filed was 185 (equal to less than 46% of the previous year). For comparison, the county total was 7,288 cases which is just over 58% of the prior year. Among the 18 townships, Fremont tied for second place with Waukegan township by having 2.2% of those appeals increase in value (Antioch had a slightly higher increase rate of 2.7%). We also had the third highest rate of "no change" at 73.5% (behind Lake Villa at 73.9% & Zion at 75.8%). Combing all results leaves Fremont with the lowest percentage of appeals reduced at 23.2%.
- Met again with the architect to arrive at a nearly finalized plan for reworking the administration building entrance design (sidewalk/steps/ramp).
- Assisted the supervisor with reviewing bathroom improvement options for administration building **Clerk**

Clerk McCann submitted the following report:

FOIA Requests

- SmartProcure Requested and received information regarding employee/staff contact information
- SmartProcure Requested and received information regarding vendor purchases from 10/11/22 to current

FINAL

• Received request from resident to view camera footage from Assessor's counter for 12/19/22. Staff located footage and resident is scheduled to view it on 1/5/23 at 1:00 p.m.

<u>Levy's</u>

• The Town and Road District Levy's have been filed with the County Clerk's office.

Highway Commissioner

Highway Commissioner Dodd submitted the following report:

- Thanks to our crew who had snow events on holidays—Dec 23rd, 24, 26th. Also had a crew on call on New Years Eve.
- Crews worked on cleaning and inspecting catch basins—inspections and work orders are being recorded in GIS tracking system.
- Removed dying oak on Imperial Court, cleaned trash from roadsides, finished break room improvements started last winter, attended Winter Tree ID class at Morton Arboretum, repairs to Vactor, several plow rounds for snow/ice/drifting.
- Completed IGA agreements with Round Lake, Wauconda, Wauconda Township and Hawthorn Woods.
- Sylvan Dam qualifies as a historic site, which requires us to submit historical related info to the State Historic Preservation Officer for documentation purposes prior to our project being able to move forward.

Supervisor

Supervisor O'Kelly submitted the following report:
