Hi Dan,

I am a Wauconda resident and I am a manager for the Wauconda Bulldogs of the Northern Illinois Mens Baseball League. As a league, we are always looking for more fields to rent for games. I was wondering if you rent out Ivanhoe Field and if so, how do you charge?

Thank you,

Jordan Mayer

Hi Herb,

I noticed on the Behm Park website "The park also features a 1.7-mile walking trail with fitness stations and a playground with an adaptable swing..."

For those who walk the fitness trail, there are no benches along the trail to rest especially for seniors. There are picnic tables and bleachers on some of the fields. There are several areas where park benches could fit in for example by some of the fitness stations or at several corners on the East side of the path between the two large baseball fields. As a long time tax payer, could you please bring up my suggestions to the next board meeting. That would be greatly appreciated, otherwise I'm fine with how the park is currently configured, you and your crew have done a great job maintaining the park. I'm very appreciative of your efforts.
